

• Valparaiso-based blues rock group, Planetary Blues Band, celebrate the release of their new album, "Once Upon A Time In The South Loop" with a hometown CD release party tonight at The Franklin House (58 South Campbell St.) in Valparaiso. The group's Chicago release party on May 15 at Buddy Guy's Legends night club gave the group's four members -- Martin Schaefer-Murray (guitar/vocals), Michael Schaefer-Murray (guitar/vocals), Bobby Schaefer-Murray (bass), and Nick Evans (drums) – a lifetime memory when the venue's iconic owner Buddy Guy stepped up to join the four Hoosier bluesmen on stage to jam. There is no cover for the 21 and older 9 p.m. event. More: (219) 707-5468 or www.planetaryblues.com.
