

Blues crew: The Planetary Blues Band titled its 2013 album "Once Upon a Time in the South Loop" as an homage to bygone Chicago label Chess Records and to Buddy Guy's Legends nightclub. Valparaiso, Ind. — 55 miles southeast of Chicago — is home to the Planetary Blues Band, which will perform on Dec. 5 at the Slippery Noodle Inn, 372 S. Meridian St. Three brothers (vocalist-guitarist Martin Schaefer-Murray, bass player Bobby Schaefer-Murray and guitarist Michael Schaefer-Murray) and a friend (drummer Nick Evans) make up the band.
